Dr. Gunn –

Per our conversation today, we spoke with EPA this afternoon about participating in those Monday emergency planning phone calls. As a response, EPA asked that St. Louis County contact Cecilia Tapia, EPA, at the email above. Also per our conversation, we recommend inviting Jonathon Garoutte, DHSS, as he will be able to provide a good perspective on sampling beyond our DNR efforts. If you have any questions, feel free to contact me at 573-751-0131. Thank you.
